Re: CG Docket No. 03-123 - Telecommunications Relay Services and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities

Dear Ms. Dortch:

The undersigned and Roger Fleming of Northfork Strategies met with Patrick Webre, Chief of the Consumer and Governmental Affairs Bureau, and his Legal Advisor Robert Aldrich, on behalf of IDT Telecom, Inc. ("IDT") on March 28, 2018. We inquired about the procedural status of, and the approximate time that action may be taken on, IDT's Petition for Rulemaking filed in the above-referenced docket on November 25, 2015.¹ We also discussed the support IDT's petition has received from members of the Congressional Deaf Caucus as well as advocacy organizations for the deaf and hard of hearing community.

Sincerely,

A handwritten signature in cursive script that reads 'Colleen Boothby'.
